

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, October 1, 2015 to December 30, 2016)

6.2 Does the Institution have a Management Information System:

YES

The institution has an MIS which takes care of the following:

- Administration and Establishment
- Academics: Calendar, Examination, Prospectus, Time-Table, Attendance
- Admission: To execute the admission process
- Accounts: Fees Budget Audit

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The Curriculum and the Syllabus are designed by the North Eastern Hill University.

Certificate programmes for students to cope with the latest concepts are conducted

Guest Lectures are organised on modern topics

6.3.2 Teaching and Learning

Student Teachers' are assigned with seminars assignment and projects. Language Lab is utilised to improve language skill.

Special Classes on English Communicative Skill and Skill of Micro Teaching to equip Student Teacher with necessary skills

Preparation of Handbook

Use of ICT

Organising Conferences, Seminars, Workshops and Guest Lecturers.

Teachers' Study materials are shared with Students.

Remedial Classes, Student Counselling and Internal Tests are conducted.

Deputation of Students and Faculty for conferences, seminars, workshops, symposium.

6.3.3 Examination and Evaluation

We have been conducting Internal Assessment and Test Examination as per the University pattern.
 Test and Retest for the lower achievers.
 Parents and Guardians are informed of the performance of the Students.
 Guiding Students to apply for re-evaluation and challenge evaluation.

6.3.4 Research and Development

The Faculty members are encouraged to take part in various seminars and conferences related to their research topics.

The Faculty members are encouraged to publish their articles in the National and International Journals.

The Faculty are encouraged to go for research leading to M.Phil. and Ph.D. Degrees

Research Papers and Books published by the Teachers have got admiration and good ratings and the Institute provide incentives.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Online E-Journals, Reviews and E-books subscribed.

New Printers and Photocopier were purchased for the Library.

Toilets for Boys and Girls were constructed in the Library.

Renovation of existing Library Building.

Various Counters for the Library Staffs was created to make the issue and receipt of books more convenient.

Construction of New Classes Rooms and Lavatories

6.3.6 Human Resource Management

The Staff, Students and Stake holders are encouraged institutional planning and administration. Registration Fee paid by the Management for the Staff and Students in participating various seminars and workshops.

Faculty Development Programmes.

Staff and Faculty sever as Resource Persons for various Workshops and Programmes organised by different schools and colleges.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Organisation of regular Governing Body, HoDs and Staff Meet.
Organisation of Morning Assembly for Students.
Adoption of Principle of inclusiveness and organising programmes that promote Gender Sensitivity, sense of belongingness and respect for others.
Participatory approach in decision making and involvement of the faculty in the annual budget preparation and annual calendar of the College.
Providing counselling and mentoring training to the Teachers of every department.
Financial assistance to the poor students particularly the socially disadvantaged to motivate the students.
Remedial Classes for low achievers.
Guiding students to present papers.
Scholarship to students achieving academic excellence.
Pre-placement training through Soft Skills and Aptitude Training.
Students Educational Package cum Health Insurance provided.
Certification courses and Value added courses offered to students.
Alumni Supporting the College Education to Economically and Socially backward students.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Construction of the College New wing whereby sufficient number of classrooms, toilets, labs, conference hall and furniture are available.
150 acres of land has been purchased for the College so that future plans of the College could be realised.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Best Practice I

Inclusiveness and Gender Sensitivity, sense of belongingness and respect for others put into practice by the students in the Campus: In an attempt to keep up with the changing attitude and approach to many issues that until recently were considered taboo or unnatural controversial and irrelevant, the college has introduced courses, seminars and workshops on Inclusive Education, Gender sensitisation Resource persons from reputed organisation were invited to speak and/or to animate these programmes.

Best Practice II

Energy Conservation: The College has ensured that its infrastructure receives as much natural light as possible to avoid the use of electricity throughout the day. In case situations where the use of electricity is unavoidable, awareness was created to ensure that all stakeholders turn off the lights, electrical machines and other gadgets when they are not in use. Further, the college has installed more than twenty solar street lights in the campus and reduced the use of electric powered lamps significantly.

In what could be considered a major step in the conservation of energy, the college has installed a solar power system that will generate electricity for many of its offices, labs and classrooms. This is being done in a phase wise manner and it is hope that by next year the college will be able to bank on solar energy more significantly for its power supply.

7.4 Contribution to environmental awareness / protection

The Institute believes in promoting a society which cares for the environment. Many activities were undertaken to make the Campus eco-friendly. Solar panels on the roof are used as an alternative to conventional energy sources. Usage of LED bulbs in the College has reduced the electricity bill. The College has a vermi-compost unit in which organic matter is converted into manure. Constant effort to minimise waste generated in the Labs is made. Efforts are also made to go paper free by introducing Online Notices. The College has a Nature Club which has taken upon itself the task to spread awareness and provide platforms to discuss environmental issues. Tree plantation drives have been organised. The college has also taken the initiative to recycle every sheet of used paper that we could find. It amounted to 900kgs of paper that we recycled. The students of the College also celebrate the World Environment Day, International Ozone Day and Polythene Free Campus every year.

7.5 Whether environmental audit was conducted? Yes

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

STRENGTH

- Strategic location and easy accessibility.
- Supportive management with a progressive vision.
- Transparency in staff recruitment based on merit.
- Faculty with experience and qualification.
- Dynamic student community with high potential for self empowerment.
- Plethora of opportunities in curricular/co-curricular activities and sports.
- Highly committed and responsible staff.

WEAKNESS

- Limitation in the introduction of newer Curriculum and syllabus due to lack of academic freedom arising from being affiliated to a university.
- Consultancy and Industrial linage lacking due to absence of industries and companies in the region.
- Financial constrains effect infrastructure development.
- Lack of space for outdoor sports activities.

OPPORTUNITIES

- Industry oriented courses can be designed to ensure employability.
- Ample scope for providing consultancy services.
- Excellent academic environment.
- Collaboration with National and International Universities.

CHALLENGES

- Resource mobilisation agencies apart from Government and UGC.
- To have collaboration with industries and universities.
- To introduce integrated courses.

8. Plans of institution for next year

Facilitate Academic Administrative, Environmental Audit.
Achieve NIRF Ranking.
Further enhance the career paths and enhancing competency of students.
To introduce integrated courses at the graduate and post-graduate levels
Strengthen research activities for faculty.
