Subject: Introduction of BA in Education (under-graduate course)

Dear Professors/Sir/Madam,

Warm greetings to you from St. Anthony's College.

I am happy to inform you that NEHU has permitted us to launch the new undergraduate department of Education and course in Education at the undergraduate level.

The undergraduate Department of Education and the BA Education course (Honours in Education) will be launched with immediate effect this year so that we can enrol students from the coming academic year 2021-22. The following shall be the combination of elective subjects from which students will be able to choose their electives.

- 15A - Education, History, Political Science
- 15B- Education, History, Elective Language
- 15C- Education, Elective Language, Political Science

I request you to kindly upload this information to the College Website and make provisions for the inclusion of the same in the College's ERP as early as possible so that we can start the course this year with the required number of students.

Your kind assistance in this regard will be deeply appreciated.

Thanking you,

Sincerely,

Principal
