Alcoholics Anonymous(AA) Foundation Group Shillong - AAFGS is a constituent part of the International AA fellowship which was incepted on 10th June 1935 and is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. In keeping with the parent AA principle, AAFGS is not allied with any sect, denomination, politics, organization or institution; Its primary purpose is to stay sober and help other alcoholics to achieve sobriety.

St Anthony's College (SAC) was established in 1934 by the same Don Bosco Society, with an objective of providing quality education within the reach of all. While providing academic education as its primary focus, SAC envisages the teaching-learning process as making its students intellectually competent, morally upright, socially committed and spiritual inspired persons in keeping with its vision.
